

The Association was formed in 1979 to keep alive the memories of the Handley Page Companies, their founder and their aircraft, and to foster the spirit of innovation, engineering ingenuity and excellence of construction which were hallmarks of the Companies.

Newsletters are published regularly giving news of people, aircraft and events related to Handley Page and the Association. Other activities include talks, visits, social events (including a popular 'Afternoon of Nostalgia') and we give support to other HP related activities whenever possible.

Membership is open to all with an interest in the Handley Page Companies and their products. Subscriptions are normally due on 28<sup>th</sup> February, but Membership can be started at any time of the year.

Please complete the form below and send it with your Subscription to;

HPA Subscriptions Secretary, 111 Radlett Road, Frogmore, St Albans, Herts, AL22LA
