

# Make your own statue Iron Age queen

I am Boudicca, Queen of the Iceni tribe! It is AD 60 and I am ready to fight and burn the Roman city of Verulamium to the ground. Down with the Romans!

Colour in, cut out and make up your statue. Stand her on display at home.

Find the film in the green gallery to learn all about the Catuvellauni tribe, the Iron Age people who lived in St Albans before the Romans came here.
